

Murphy's Lore

2010 AUTUMN RED

This wine is an appealing Autumn harvest of Cabernet grapes with bright red purple colour, lifted violet aromas and a soft fruity taste.

Ideal with Asian dishes and tasty cheeses.

Alcohol: 10.5%
Acid: 5.3 g/L
pH: 3.78
Sweetness: Medium
Ageing Potential: A drink now style.

The Grapes are all grown on the Murphy Family vineyards where great soils, select clones and plenty of sunshine have been carefully managed to produce this fruit driven range.

Harvested in early March the winemaking was uncomplicated and directed to produce a soft appealing style.

The Lore comes from our family who have been grapegrowing for almost 100 years and many a time have they needed the inspiration of the "shamrock" with faith, hope, love and luck to survive and prosper to produce fine wines such as this.

Our winery is a participating member of the Murray Darling Environmental Foundation and has established a purchase/contribution arrangement with all Murphy's Lore wines sold.
