

TRENTHAM

ESTATE

CELLAR RESERVE

TEMPRANILLO 2021

THE TRENTHAM ESTATE CELLAR RESERVE RANGE CONSISTS OF LIMITED-EDITION WINES FROM OUTSTANDING VINTAGES PRODUCING EXCEPTIONAL QUALITY.

THE WINE

While young the wine shows vibrant colour of medium depth with ripe berry fruit flavours and long, firm tannins. With some age the characters will develop more toward spice and leather, with finer tannins.

THE VINEYARD

The Tempranillo variety is famous throughout Spain especially in Rioja where it makes some great wines. The vineyard conditions are similar with deep sandy soils and a dry, warm climate.

THE VINTAGE

2021 has been one of the best vintages we have had - if not the best - with very mild weather, little rain and average to good crops. Fruit flavours were outstanding with wines producing distinctive varietal characters with great balance. A very exciting harvest.

THE WINEMAKING

Harvested on the 19th March during the early morning then crushed and fermented on skins for 6 days before pressing and ageing in older barrels. After 10 months the wine was blended and bottled.

THE FOOD

Ideally suited to traditional Tapas dishes of lamb and pork, and also great with grilled tomato and red capsicum.

ANALYSIS

Varietal:	Tempranillo (tem-prah-NEE-yo)
Region:	Murray Darling
Alcohol:	14.0%
Acid:	5.4 g/l
pH:	3.63
