MURRAY DARLING AUSTRALIA

2021 MOSCATO

HONOURING OUR ITALIAN HERITAGE OF GRAPE GROWING AND WINEMAKING

THE GRAPES

Made using Muscat varieties Canada Muscat and White Frontignac, which are well renowned for their intense fragrant characters.

THE VINTAGE

2021 has been one of the best vintages we've had, with very mild weather, little rain and average to good crops, and the wines produced from it look great with their fruit flavours beautiful and intense. The overall season has offered splendid results in the tank and barrel. A very exciting harvest!

THE WINEMAKING

Harvested in late January and early February, the grapes were de-stemmed, chilled and pressed with only the very best quality free run juice taken. The juice was then clarified before inoculating with aromatic yeast strains. The long and cool fermentation was stopped at the crucial time by chilling the ferment down quickly to halt fermentation. This produced a delicate, soft, well-balanced wine with superb natural sweetness and a lower level of alcohol.

THE WINE

Pale green straw in colour with incredible aromatics of passionfruit, musk and lychee. Light and sweet on the palate with juicy tropical fruit flavours, this Moscato is bottled with a light spritz which makes for a very refreshing style.

THE FOOD

Desserts are a perfect match for Moscato, pairing superbly with meringue, and fruit-based desserts. Also goes very nicely with your favourite cheese.
